

Greetings Aurora Members,

I'm reaching out today with a request for your support as I seek a position on the board of our Soccer Club. My name is Amanda Braschuk, and over the past five years, I've had the privilege of coaching and connecting with our wonderful athletes and their families.

During my time with Aurora, I've seen firsthand the passion and commitment members bring to our community. I value these connections and understand the importance of listening to different perspectives. Our decision-making process should consider our members' sentiments and direct us to make better choices for everyone involved.

In addition to my coaching experience, I have a background in various administrative roles, which have equipped me with skills in organization and communication. I'm driven to help our club not only grow but thrive. I believe my ability to analyze situations and suggest practical solutions will be an asset as we work together to navigate challenges.

Youth sports play a vital role in the development of young athletes, and I am truly grateful for the opportunity to be a part of that journey. It's inspiring to watch them grow not just as athletes, but as individuals who learn valuable life lessons through competition and cooperation. I am dedicated to creating an environment where our players feel supported and encouraged.

If elected to the board, I am committed to ensuring all viewpoints are acknowledged so we can make informed decisions that truly reflect the needs of our players and members. I genuinely care about the future of our Soccer Club and am excited about the possibility of contributing to our collective success. Thank you for taking the time to consider my nomination. Your support would mean so much.

Sincerely,

Amanda Braschuk
