

For almost 15 years, I have been proud to serve as a coach with the Club of Aurora, helping guide and develop young athletes both on and off the field. Throughout this time, I've had the privilege of working with players at various age levels, focusing on skill development, teamwork, and a lifelong love of the game.

As a parent of four children who have all been actively involved with the Club, I've seen firsthand the positive impact that a strong, supportive youth sports environment can have on our kids and community. My years of coaching and volunteering have given me valuable insight into what makes our club successful — and where we can continue to grow.

I'm passionate about creating opportunities for all players to learn, compete, and thrive, while fostering an atmosphere of respect, inclusion, and fun. I would be honored to bring my experience, perspective, and dedication to the Board of Directors to help strengthen the Aurora's future and continue building a program our families can be proud of.

Cheers,

JZ
