

I developed my passion for soccer in Colombia, where I first learned and played the game, both futsal and full-size soccer at a very competitive level. After moving to Canada, I continued my playing career at Vancouver Island University and with Nanaimo United FC Division 1. Alongside my time as a player, I've also been deeply involved in youth soccer development.

For the past two years, I've been coaching U9 boys with Aurora Soccer Club. This year, I decided to take a step back to upgrade some of my coaching certifications, which I plan to complete in time for the upcoming season.

Previously, I coached U13 girls on Vancouver Island and, since moving to Saskatoon, I've worked with grassroots programs including U5, U7, and U9 through local community associations, as well as with Hollandia, Aurora Soccer Club and Saskatoon Futsal. These experiences have given me a strong understanding of the game from both the player and coaching perspectives, and a deep appreciation for the important role soccer plays in building strong, connected communities.

Serving on the Board of Directors would give me the opportunity to contribute my experience and dedication to strengthening the club's programs, enhancing opportunities for players of all levels, and promoting the long-term sustainability and success of Aurora Soccer. I believe I can be an asset to the Board by bringing leadership, collaboration, and a strong commitment to advancing the club's mission.

I'm proud to support the growth and success of Aurora Soccer Club. With my diverse background as both a player and a coach, I offer valuable insight into player development, program structure, and community engagement.
