

My name is Tannis Maina, and I was born and raised in Saskatoon. I have had the privilege of serving on the Aurora Soccer Board for the past two years and am deeply invested in the continued growth of our club and community. As a parent of three children currently enrolled in Aurora programs, I see firsthand the positive impact that soccer has on youth development, families, and our wider community.

In addition to my board experience, I am currently training for my C-Diploma in coaching, furthering my commitment to supporting young players both on and off the field. I am passionate about fostering a strong, positive, and inclusive youth soccer environment where every player feels valued, stays active, and develops both as an athlete and as a member of our community.

I believe participation in team sports builds lifelong skills—teamwork, discipline, and confidence—and I am dedicated to ensuring that Aurora continues to provide these opportunities for all players and families.
