Medicine Hat Minor Softball has been awarded U19B female and U14B female provincial championships. Medicine Hat will host a minimum of 16 teams, nearly 200 athletes through these 2 age divisions and forecast 64 games over 2 - 3 day tournaments.

As a relatively small organization, we are reaching out to the business community for financial support to assist us in hosting this event. This event will promote the ever growing sport of fastpitch in our community and southern Alberta.

Some of our many goals with hosting these large scale events are: promotion of the game and spectacular athletes representing our community, spot lighting our beautiful community and fundraising for the development of minor softball specific facilities (as Medicine Hat has none).

*Thank you in advance for your time and support.
MHMSA executive*
